RN QUALITY ANALYST

Allegany Arc's Quality Assurance Department has an immediate opening for a RN Quality Analyst.

HOURS: Full-time (hours will be discussed during interview)

RESPONSIBILITIES: The RN Quality Analyst serves as an expert professional whose practice encompasses a wide range of responsibility, accountability, and leadership in planning, implementing, evaluating, and improving care delivery using collaborative strategies with others while ensuring compliance with OPWDD, Justice Center and nationally recognized standards. Will complete clinical quality reviews, clinical data analysis, and identifying opportunities for improvement. Will provide clinical and administrative recommendations relative to all Strategic Systematic outcomes. Will be required to complete investigations as needed.

QUALIFICATIONS: RN with 3 years of experience in the I/DD population. Must have ability to communicate effectively both orally and in writing; ability to establish and maintain effective working relationships with all levels of staff; ability to train other; tact; initiative; confidentiality. Must have physical ability to perform the essential functions of the position with or without reasonable accommodation. Must have extensive knowledge of regulatory agency requirements pertaining to OPWDD, The Arc New York, Nurse Practice Act and agency Policy and Procedures. EMR experience is preferred. Excellent knowledge in Microsoft Word. Must have a valid driver's license.
